Excellent book that stirs the heart why you really are ...

By Feed Me the Knowledge of God

Excellent book that stirs the heart why you really are and thus who you really are. This is the kind of message that brings people back to God.

Same book different title... Wow!!!

By Charmin B

Disappointed because this title is different but it is the same book In Pursuit of Purpose. Which they are a great read. I just didn't want pay for the same book twice. Unfortunately his books are not cheap. So yes I am disappointed. To bad I can't get my money back.

How to Unleash the Plan God Designed For You

By Richard R. Blake

Best selling author, Myles Munroe writes to empower his readers to discover their potential purpose and to develop their true potential in his book "Unleash Your Purpose." He explains how without purpose and

significance a person will be filled with confusion, frustration, and disillusionment.

Munroe uses personal experiences and stories on motivation and commitment to help the reader regain their sense of purpose, and to unleash their talents, skills, and their God given gifts to realize the full potential available through God's Spirit. His writing stems from a solid Biblical foundation.

Of the many lessons I learned, three stand out: Find out who you are and be yourself. Purpose is the source of fulfillment and Find your special niche and work toward your dreams.

The book is dedicated to those who desire a purposeful life characterized by effectiveness, efficiency, and fulfillment. Dr. Munroe invites the reader to join him in a journey that will cause them to ask probing questions about themselves, will challenge resolve, and begin to unleash personal purpose.
